Figure 1: How would you like to see the project changed? Since there are costs associated with each change, please rank in order of importance

Ranked as 1st or 2nd (Ranked 1st=Darker colors, Ranked 2nd=Lighter colors)

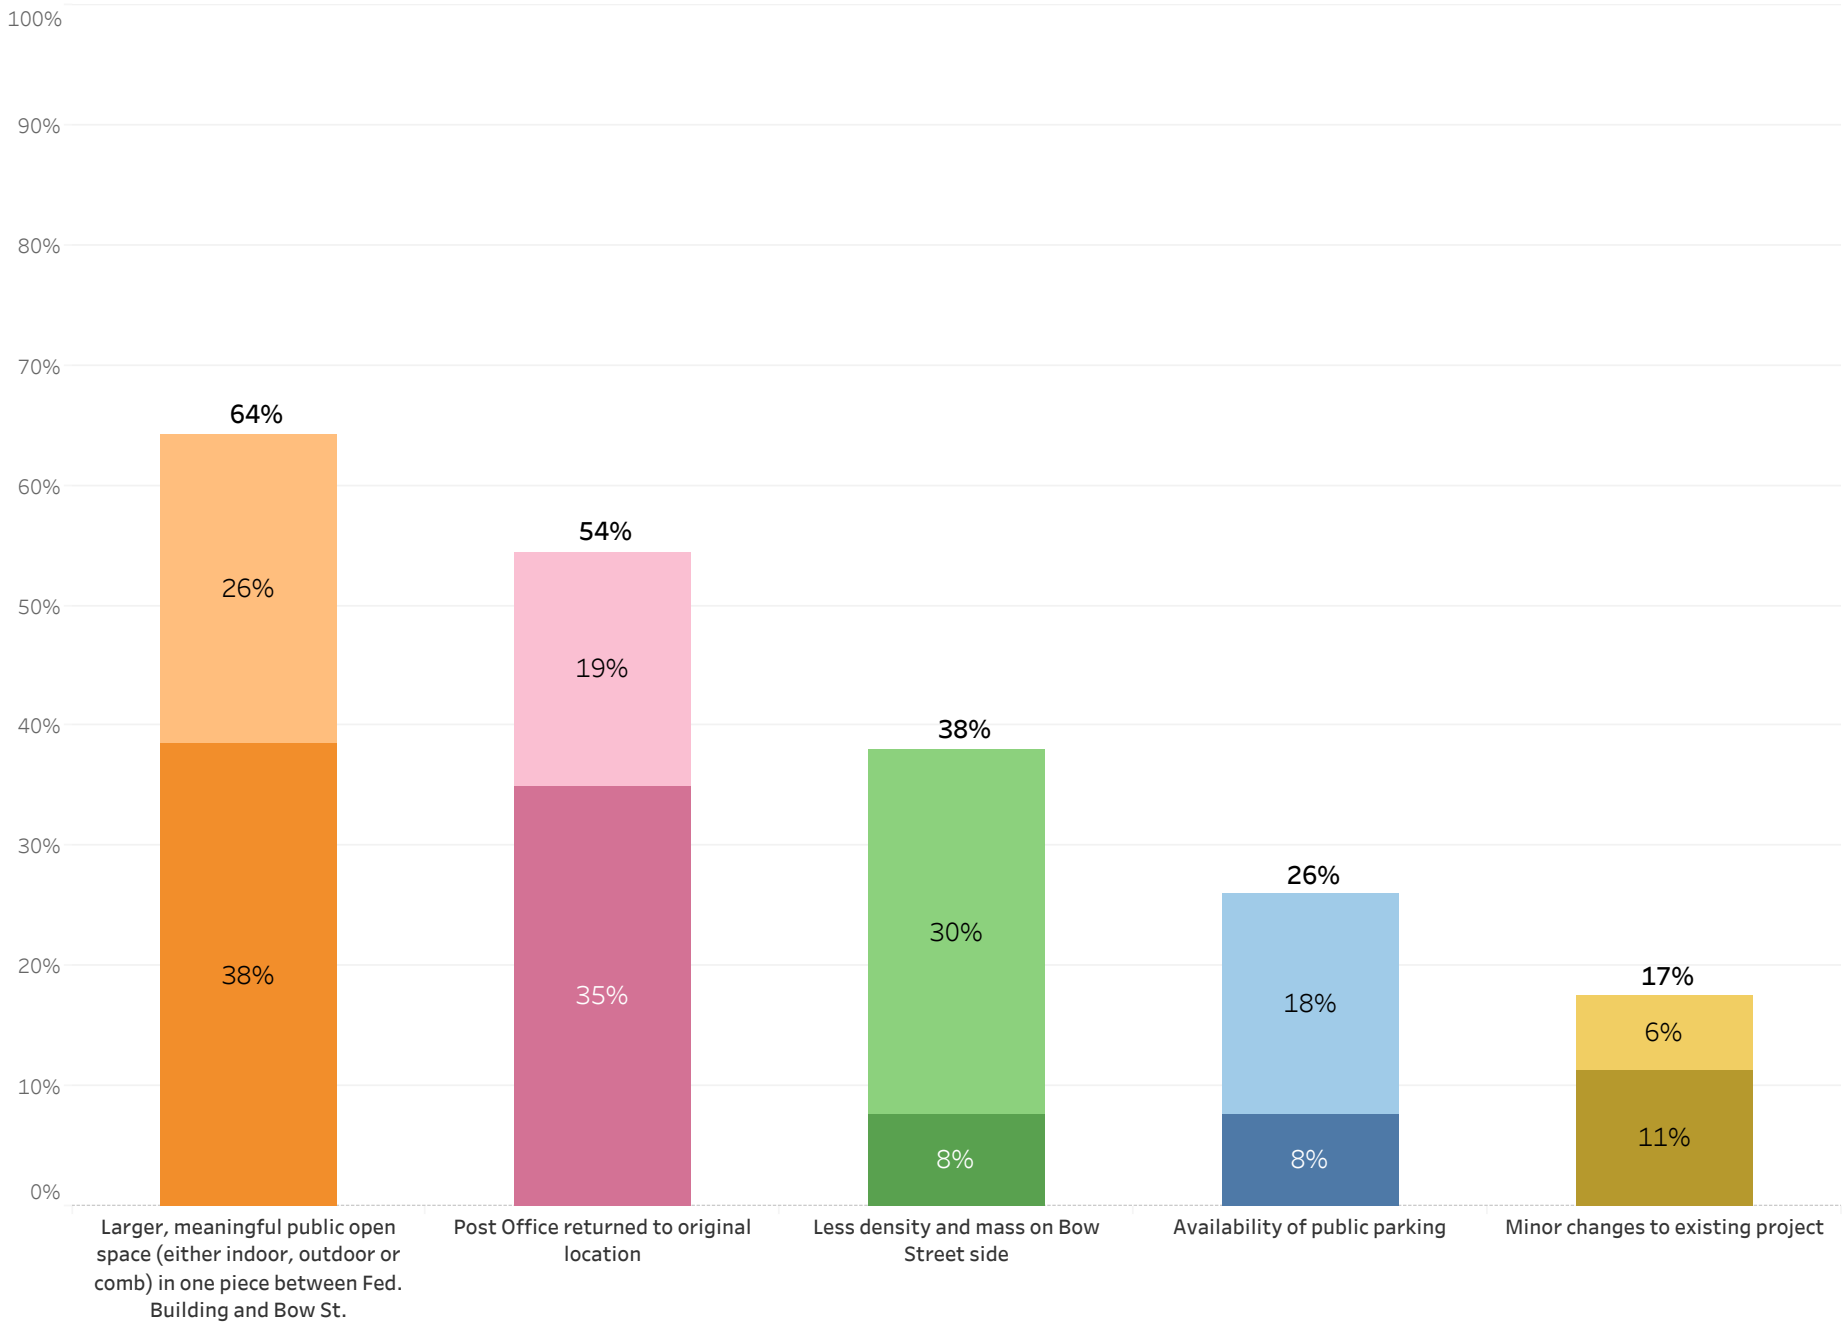

Figure 2a: Changes to the project require a financial commitment from the City to achieve. Would you still support them knowing this?

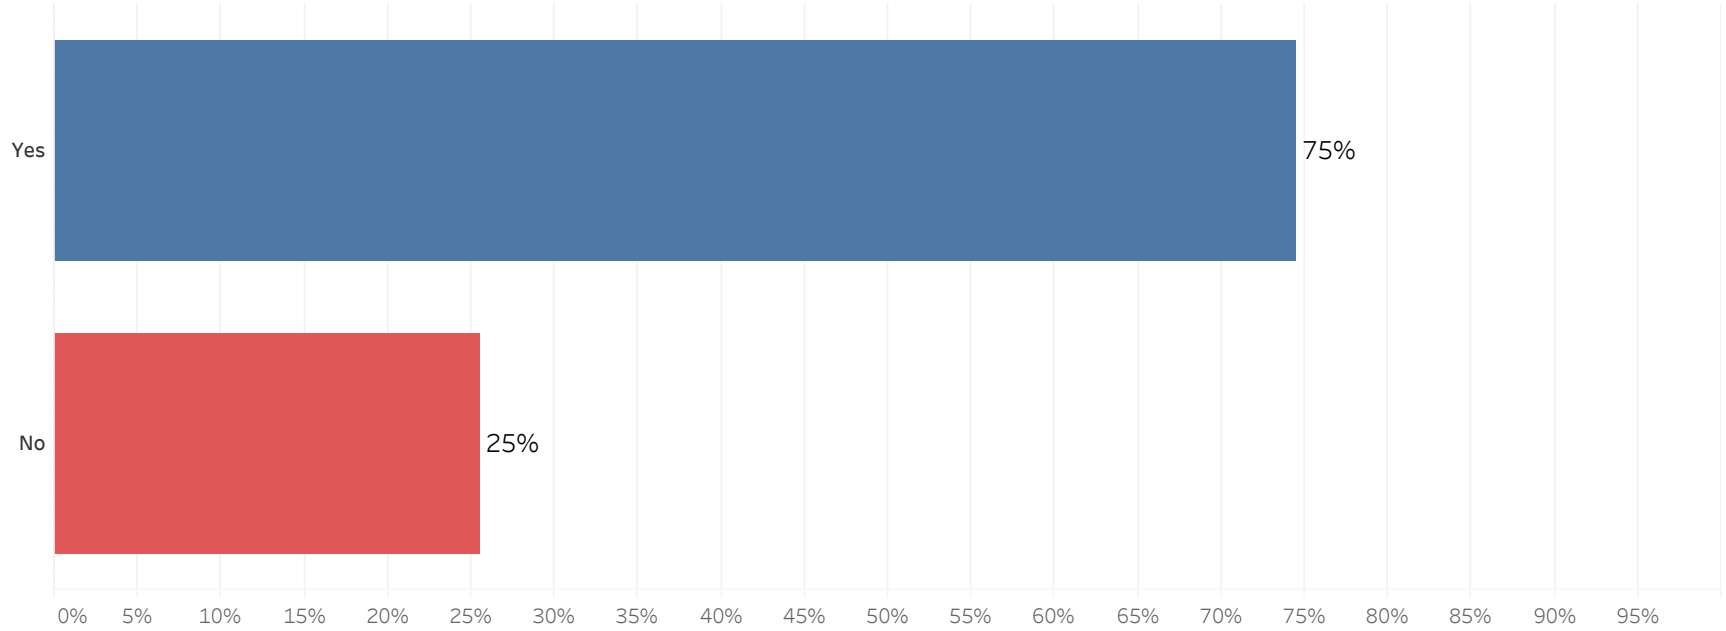

Figure 3a: Would you prefer contemporary or traditional architecture for the new buildings in the project?

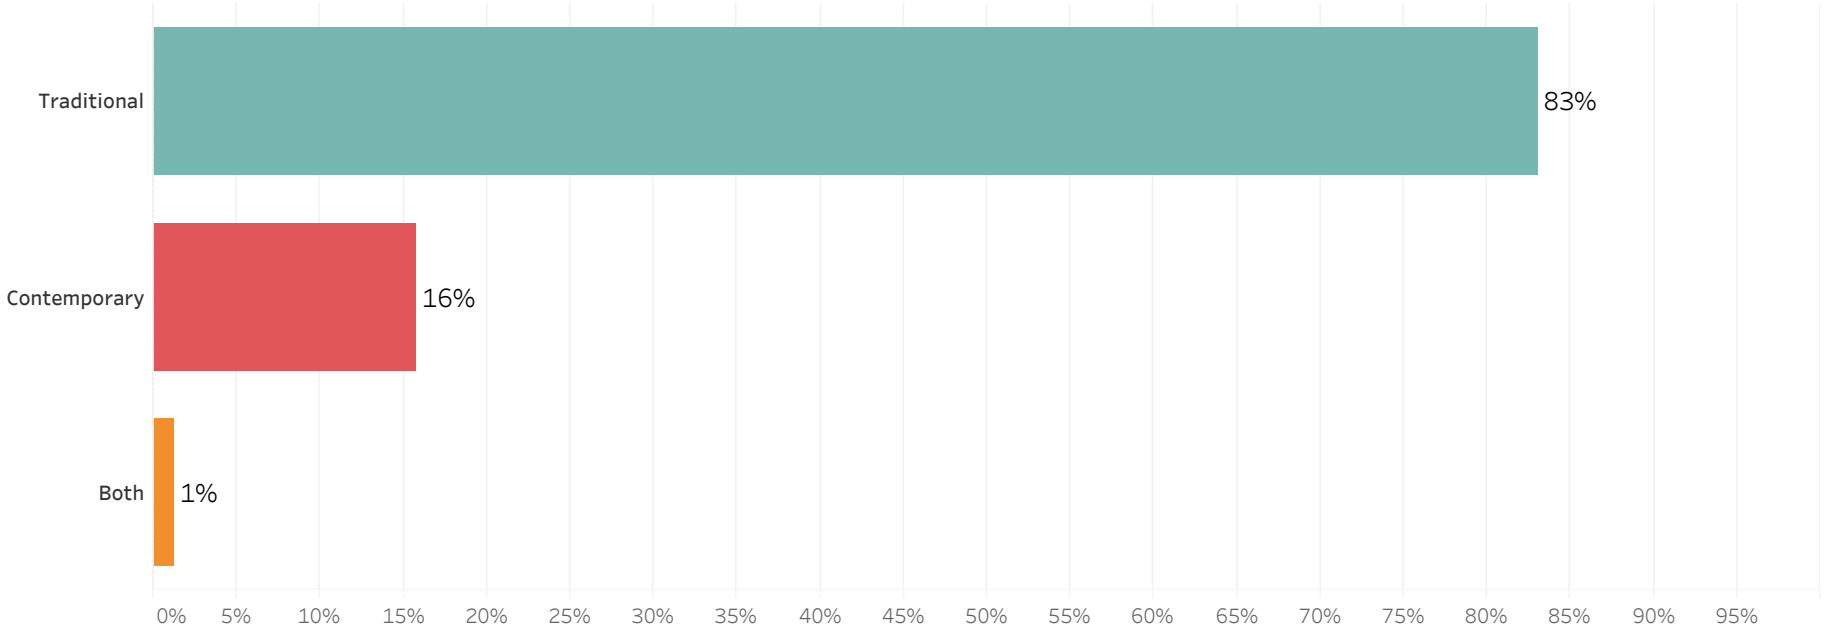

Figure 2b: Changes to the project require a financial commitment from the City to achieve. Would you still support them knowing this?

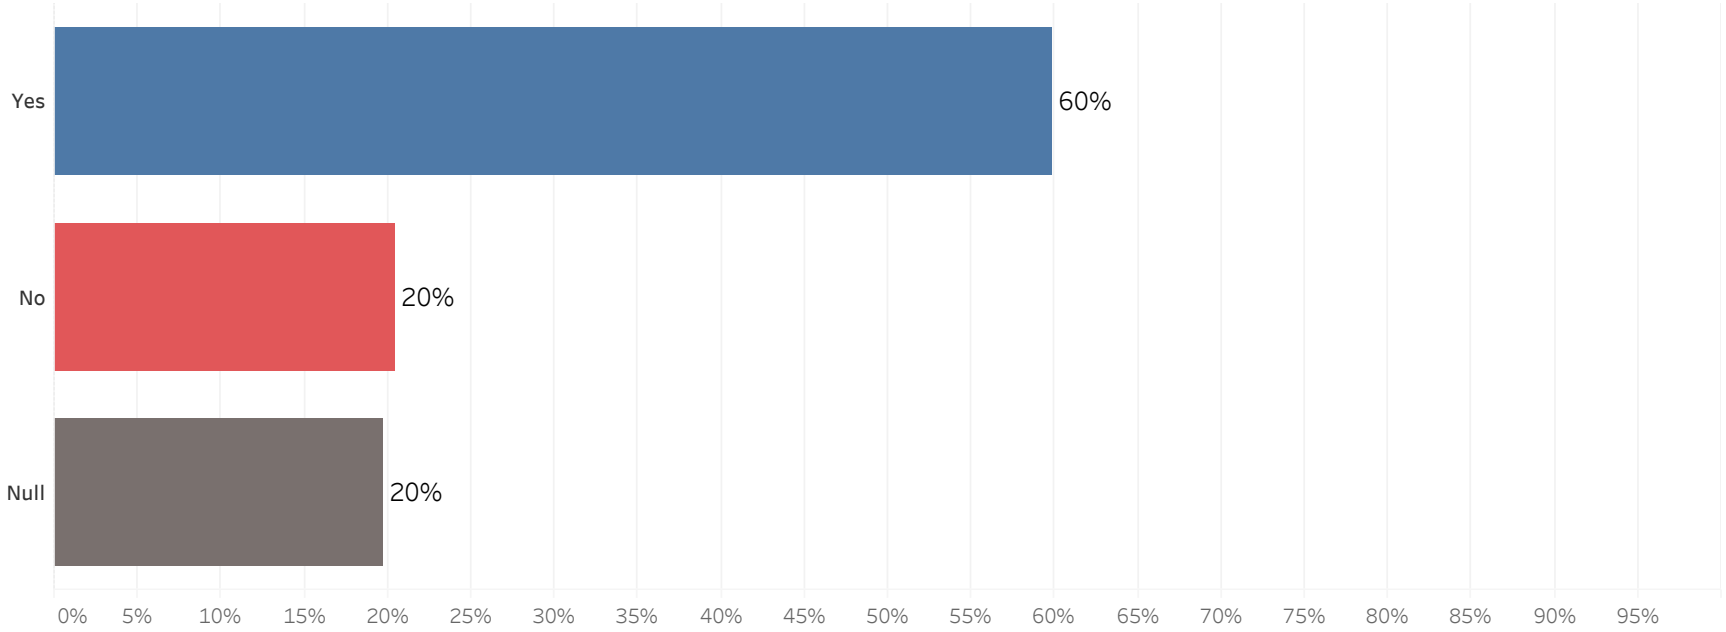

Figure 3b: Would you prefer contemporary or traditional architecture for the new buildings in the project?
