

CITY OF PORTSMOUTH

95 Mechanic Street Seawall and Wharf Project Public Information Meeting Notice

Tuesday, June 29, 2021 at 4:30 pm

This is a hybrid meeting. Members of the public are able to attend the meeting in person in City Hall Chambers OR participate remotely, via Zoom.

ZOOM MEETING

https://zoom.us/webinar/register/WN_KZQ2eytfsf2F93CnY82vfw

You are required to register in advance to join the meeting over Zoom. A unique meeting ID and password will be provided once you register. Press on the link and follow the instructions.

After registering you will receive a confirmation e-mail containing information about joining the meeting.

MEETING PURPOSE

The purpose of the meeting is an update on the 95 Mechanic Street Seawall and Wharf replacement project. The City acquired the property in 2014 in anticipation of the future need (FY23 and FY24 CIP) to replace the Mechanic Street pump station. Portsmouth DPW staff had secured the necessary NH Division of Environmental Services permits in anticipation of the demolition work and were developing documents to request a construction bid. When the wharf collapsed in August 2019, Portsmouth DPW brought in an emergency team to complete demolition of the wharf and buildings and to secure the site. The City has now awarded the construction contract to replace the wharf and seawall as first steps that need to be completed before other site improvements at 95 Mechanic Street and the public properties on either side.

City staff will be present to provide information and answer questions.
