COVID-19 BULLETIN BOARD 8/10/22

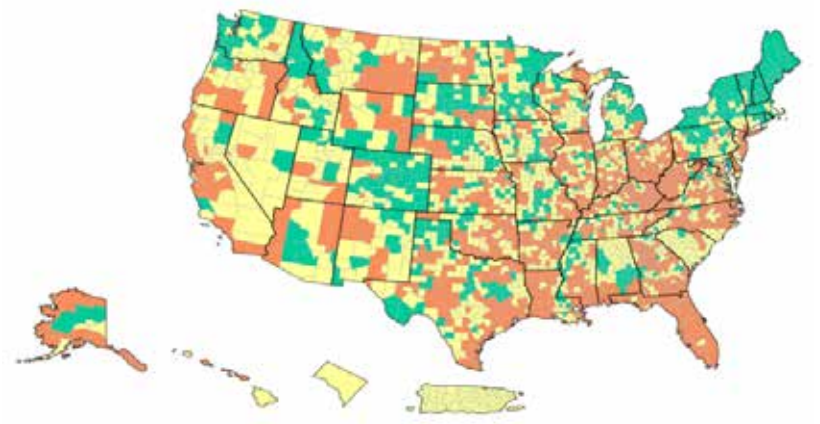

NHDHHS is reporting a 1% increase in the number of cases for the 7 days ending August 9 compared to the previous 7 days. CDC is classifying Rockingham County (map below) as "low risk" for community infection.

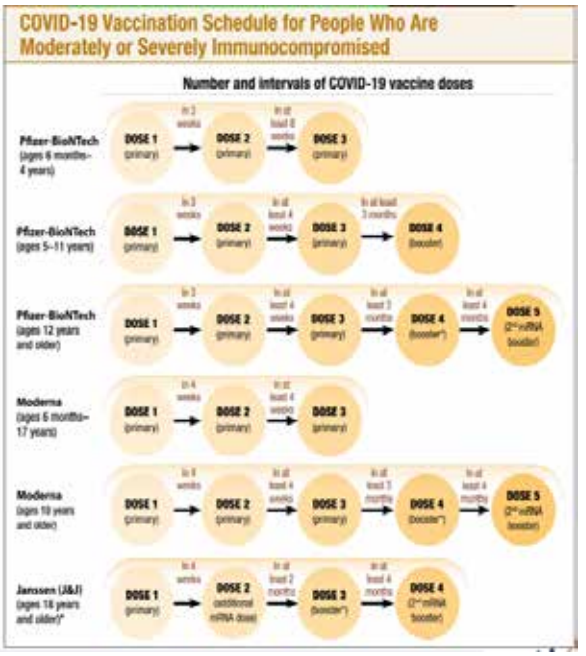

NH DHHS INTERACTIVE MAPS SHOWING LOCATIONS FOR VACCINATIONS FOR CHILDREN 6 MO-5 YRS AND 5-11 YRS AT:
https://www.vaccines.nh.gov/?vaccinated Updated 7/26/22
For the Vaccination Schedule charts (at right) and more information, go to: https://www.cdc.gov/vaccines/covid-19/downloads/covid-19-vacc-schedule-at-a-glance-508.pdf

CDC currently lists all NH counties as "low risk."
