3. FINANCIAL REPORT

[00:05:48] Parking Director Ben Fletcher spoke to parking revenues for the year and answered questions from committee members. Peter Rice moved to accept the financial report dated April 30th, 2026, seconded by Mary Lou McElwain. On a unanimous vote, the motion passed.

4. PUBLIC COMMENT (15 MINUTES)

[00:13:23] There were three speakers: Jay Kobzik, 1240 Islington Street, voiced concerns of speeding on Islington and proposed ideas of how the City could curb speeding in the area, as well as concerns of ample lighting at Rail Trail crosswalks; Tyler Garzo, 62 McKinley Road, commented on New Business Item D and encouraged collaboration with the Bicycle & Pedestrian Blue Ribbon Committee; Peter Geremia, 315 Maplewood Avenue, voiced concerns of the crosswalk at Maplewood & Dennett (New Business Item B), as well as general speeding concerns.

5. PRESENTATIONS

There were no presentations

6. NEW BUSINESS

(No public comment during Committee discussion without Committee approval.)

- A. [00:23:59] Hillside Drive, concerns caused by increased parking by high school students, narrow street, by residents. Deputy Police Chief Mike Maloney spoke on the matter, as Portsmouth Police has been fielding increased complaints from the area regarding congestion and potential blockage of first responder vehicles. Following discussion from the Committee on how to best approach the issue, be it parking regulation or alternative parking areas for students, Mark Syracuse moved to refer to staff for evaluation and report back at future meeting, seconded by Erica Wygonik. On a unanimous vote, the motion passed.
- B. [00:33:50] Maplewood Avenue, crosswalk at Dennett Street, request to remove the bollards and in-street signs and install flashing lights, by resident. Erica Wygonik moved to place the item on file, seconded by Peter Rice. Following initial comments of opposition from Mary Lou, Eric Eby discussed the various approaches taken at this crosswalk over the past five to ten years, citing there have been at least three previous requests and reviews of the crosswalk, stating that the most recent remedy of signage has been the most appropriate. Following committee discussion on the state of existing signage, the motion on the floor was put to a vote. On a unanimous vote, the motion passed. Peter Rice then moved to have staff upgrade signage as appropriate, seconded by Erica Wygonik. On a unanimous vote, the motion passed.
- C. [00:46:00] Parrot Avenue, request to change school pick up, drop off traffic patterns, by resident. Erica Wygonik moved to place the item on file, seconded by Mark Syracuse. The Committee discussed the nature of challenging traffic on Parrott Avenue, addressing the fact that changes have been made in recent years. Deputy Chief Maloney echoed the challenging nature of drop-off and pickup on Parrott Ave due to on-street parking and traffic, stating that the current pattern has been the most effective. Following discussion on what the scope of PTS would be on the matter, a vote was put to the motion on the table. On a unanimous vote, the motion passed.
- D. [00:51:22] Complete Streets Design Guidelines. Request to re-examine the Neighborhood Slow Street guidelines, by DPW. Peter Rice spoke to clarify background on the item, stating the intent of the item was not to change all existing slow streets, but rather to adjust where appropriate, citing streets abutting the Dondero School as an example. Following committee discussion on the merit of forming a working group and interaction with other committees, Peter Rice moved to wait until next meeting, seconded by Mark Syracuse. On a unanimous vote, the motion passed.

7. OLD BUSINESS

- A. [00:58:14] Cabot Street, report back on request for parking restriction between Islington Street and The Getty Bagel driveway. Erica Wygonik moved to place the item on file, seconded by Peter Rice. Eric Eby spoke on the results of the site visit from May and provided

traffic signal footage of the intersection, displaying the traffic concerns on Cabot. The Committee discussed that many of the traffic issues stem from parking concerns on Getty Bagel's property, which can be addressed without intervention to on-street parking. On a unanimous vote, the motion passed.

- B. [01:04:38] Falkland Place, report back on review of snow ban parking rules. Peter Rice spoke to the history of the issue, and upon review deemed this area allowable to park during snow bans, citing no hardship for business parking and review of snow clearing in the area. Erica Wygonik moved to place the item on file, seconded by Peter Rice. On a unanimous vote, the motion passed.
- C. [01:07:07] Local Love, report back on request for reduced parking rate, loading zone usage flexibility. Chair Hopkins reported back on her discussion with the Local Love business owners, requesting that the members come back with two separate issues: commercial loading zones and reduced parking for one Thursday a month. Councilor Hopkins also recognized that the requests are expansive beyond the purview of solely PTS.

8. INFORMATIONAL

- A. [01:10:49] Police monthly collision report & update on e-bike safety
- B. [01:16:20] Marcy Street, no parking on east side between New Castle Ave and Holmes Court, missing signs to be replaced.
- C. [01:17:43] Discussion of Committee purpose and mission – the item will be moved to the next meeting when all members are in attendance
- D. [01:17:55] Construction projects update
- E. [01:23:11] Outdoor Dining update

9. MISCELLANEOUS

[01:23:57] Inquiry about parking rules when occupying multiple spots at once

10. ADJOURNMENT

[01:26:16] Mark Syracuse moved to adjourn, seconded by Erica Wygonik. On a unanimous vote, the motion passed. Chair Annie Hopkins adjourned the meeting at 10:22 AM.

Respectfully submitted,

3. FINANCIAL REPORT

[00:05:10] Peter Rice moved to accept the financial report dated March 31st, 2026, seconded by Mary Lou McElwain. On a unanimous vote, the motion passed.

4. PUBLIC COMMENT (15 MINUTES)

[00:05:27] There were five speakers: Carolin Berendsen, general manager of Getty Bagel, provided context to New Business Item 7. C.; Tyler Garzo, 62 McKinley Road, spoke regarding the Van Buren Avenue proposed redesign; Sophie Gee, Joy Curth, and Lauren Wolf, representing the Local Love initiative, spoke on seeking City support for the Local Love initiative, encouraging residents to come downtown and support local businesses by offering parking in the Hanover

Garage for those three hours the third Thursday of the month. Joy Curth also spoke on tying Commercial Loading Zone passes to businesses, instead of vehicles. To allow for staff and committee discussion on the matter, Peter Rice moved to suspend the rules and bring forward Item 9. Miscellaneous following public comment, seconded by Stephanie Casella. On a unanimous vote, the motion passed.

5. MISCELLANEOUS

A. [00:24:15] Local Love downtown parking & Commercial Loading Zone Passes. Peter Rice invited Parking Director Ben Fletcher to speak on the City's methods of parking enforcement, discussing enforcement software technical abilities that rely on a vehicle's license plate number to keep track of any pass or session, and that the City doesn't currently have the technology to tie passes outside of license plate numbers. Peter Rice requested a report back at a later meeting on ability to whitelist businesses for parking. Speaking on the Local Love Three Dollar Thursday initiative, Parking Director Fletcher addressed the challenge of issuing free or reduced rate parking to certain groups over another. Discussion ensued on developing 'big picture' ideas to assist small businesses in the long term, as well as the applicability of 'fair use'. Conversation arose around parking revenues being down on the year, but Directors Rice and Fletcher discussed how outside forces, like the weather and international relations, have played a role. Following an inquiry from the gallery, Peter Rice moved to suspend the rules and open public comment, seconded by Mary Lou McElwain. On a unanimous vote, the motion passed. Joy Curth spoke on parking violation discrepancies and physical placards in vehicles. Sophie Gee commented on the scope of 'local' visitors to include residents from neighboring towns, and to keep that in consideration with any future decision making.

6. PRESENTATIONS

[00:36:37] Fleet Street, recommended traffic flow and parking configuration between Congress Street and Hanover Street, by DPW. Project Manager Dave Desfosses led the presentation, discussing the impact on Fleet Street from the ongoing downtown construction, input from residents on what they'd like to see done with Fleet Street, as well as the proposed and recommended designs. Dave Desfosses explained the preferred one-way Fleet Street layout. Following the presentation, questions arose from committee members, including sidewalk layouts, traffic pattern concerns, and the possibility of integrating a contraflow bike lane. In the interest of utilizing Dave Desfosses' time, Bill McQuillen moved to suspend the rules and bring forward Informational Item 8. B. Construction Projects Update, seconded by Peter Rice. On a unanimous vote, the motion passed. Dave then spoke on other projects around the City, including various sidewalk and paving projects.

7. NEW BUSINESS

(No public comment during Committee discussion without Committee approval.)

A. [01:10:24] Fleet Street, request for recommendation regarding one-way traffic flow and on-street parking between Congress Street and Hanover Street, by DPW. Erica Wygonik moved to recommend that traffic flow on Fleet Street be changed to one-way flow with on-street parking from Congress Street to Hanover Street, seconded by Bill McQuillen. Jane Mitchell-Pate proposed an amendment that included consideration of a contraflow bike lane. Peter Rice pointed out that considering a bike lane would be best considered by the Bicycle & Pedestrian Blue Ribbon Committee, and that a bike lane is still in the realm of possibility, even if not explicitly included in this motion. Jane Mitchell-Pate withdrew her amendment. On a unanimous vote, the motion passed.

- B. [01:12:38] Gates Street, request for parking restriction opposite 74 Gates Street, by resident. Following inquiry from the gallery, Peter Rice moved to suspend the rules and open public comment, seconded by Mark Syracuse. Owen May, resident at 74 Gates Street, spoke on the parking challenges faced when other drivers are parked opposite the driveway. Committee discussion ensued, determining whether having restrictions would create a new enforcement challenge, as well as the challenge of making a street-wide decision based on one property owner. Peter Rice proposed that the resident create a caucus of neighbors if this is a shared concern and bring it forward to a future meeting. Bill McQuillen moved to place the item on file, seconded by Jane Mitchell-Pate. On a unanimous vote, the motion passed.
- C. [01:20:00] Cabot Street, request for parking restriction between Islington Street and The Getty Bagel driveway, by business owner. Erica Wygonik moved to schedule field site visit for Committee members and make recommendation at next meeting, seconded by Mary Lou McElwain. Committee discussion ensued identifying the problem area and the efficacy of an additional signal or traffic camera. It was determined that the ideal time for a site visit would be a Friday morning. On a unanimous vote, the motion passed.
- D. [01:24:32] State Street, request for recommendation in support of license agreement for parking space, by resident. Erica Wygonik moved to object to the request and recommend that City Council not approve license, seconded by Mark Syracuse. Following inquiry from the gallery, Peter Rice moved to suspend the rules and open public comment, seconded by Mark Syracuse. Tim Phoenix spoke on behalf of the property owner at 10 State Street, citing concerns of his client occasionally getting blocked in by parked vehicles. Mary Lou McElwain suggested increased enforcement in this area but did not support a license agreement for a parking space. Erica Wygonik noted this property was previously subject to site plan review. On a unanimous vote, the motion passed.
- E. [01:29:59] City Ordinances, Chapter 7, Vehicles, Traffic and Parking, request to modify ordinance to allow parking within 10 feet of all intersections, by Hampton Falls resident. Referred to Committee by City Council. Erica Wygonik moved to recommend no changes to parking restrictions near intersections in Chapter 7, seconded by Jane Mitchell-Pate. On a unanimous vote, the motion passed.
- F. [01:30:21] Hanover Street, request for renewal of valet license for The 100 Club, by business owner. Erica Wygonik moved to approve renewal of valet license for The 100 Club for one year, seconded by Jane Mitchell-Pate. On a unanimous vote, the motion passed.

8. OLD BUSINESS

- A. [01:30:38] Van Buren Avenue, report back on residents' request for narrower roadway and parking restrictions after upcoming reconstruction project. Peter Rice moved to recommend to proceed with project as currently designed by City, seconded by Bill McQuillen. Eric Eby spoke on his findings from reaching out to the Dondero PTA and receiving their feedback—finding that those who provided feedback preferred the City's design as proposed. Flyers were also handed out to abutters on Van Buren requesting feedback, but no feedback was ever received. Following inquiry from the gallery, Erica Wygonik moved to suspend the rules and open public comment, seconded by Peter Rice. Tyler Garzo presented his thoughts on data gathered from the Dondero PTA meeting. Returning to the motion on the floor, the motion passed with a unanimous vote.

- B. [01:38:23] Cate Street and Hodgdon Way, request for speed feedback sign, blind drive sign, speed enforcement, by residents. Erica Wygonik moved to refer to staff for implementation of items which are warranted, seconded by Jane Mitchell-Pate. On a unanimous vote, the motion passed.
- C. [01:38:43] Middle Street at Cass Street, request to reapprove temporary removal of parking space north of Cass Street. (originally approved by PTS October 2024, implemented in Spring 2025, monitored in June 2025, but missed deadline for 2025 omnibus.) Erica Wygonik moved to reapprove removal of one parking space on Middle Street north of Cass Street, seconded by Jane Mitchell-Pate. Erica Wygonik asked to evaluate the possibility of a bump-out as part of planned curb work, to deter parking. On a unanimous vote, the motion passed.
- D. [01:40:19] State Street at Chapel Street crosswalk. Report back on request for RRFB. Mark Syracuse moved to install pedestrian warning signs, but not RRFBs, seconded by Erica Wygonik. Eric Eby spoke on the criteria for installing a RRFB, determining that this area did not fit the criteria. Erica Wygonik asked Deputy Chief Mike Maloney if there's a history of pedestrian crashes at this location, to which he answered no. On a unanimous vote, the motion passed.
- A. [01:43:15] Maplewood Avenue, request to review pedestrian signal operations, by resident. Mark Syracuse moved to place on file, seconded by Jane Mitchell-Pate. Following discussion, the motion passed with a unanimous vote.

9. INFORMATIONAL

- A. [01:45:00] Police monthly collision report – request for e-bike update next month
- C. [01:45:29] Discussion of Committee purpose and mission. Jane Mitchell Pate moved to table this item until next month, seconded by Mary Lou McElwain. On a unanimous vote, the motion passed.
- D. [01:46:30] 150 Portsmouth Boulevard neighborhood traffic concerns
- E. [01:48:14] Outdoor Dining update

10. ADJOURNMENT

[01:48:48] Erica Wygonik moved to adjourn, seconded by Mary Lou McElwain. On a unanimous vote, the motion passed. Chair Annie Hopkins adjourned the meeting at 10:44 AM.

III. FINANCIAL REPORT

[00:05:30] Peter Rice moved to accept the financial report dated February 28th, 2026, seconded by Bill McQuillen. Parking Director Ben Fletcher spoke on current revenues in relation to time left in the fiscal year. Following a vote, the motion carried unanimously.

IV. PUBLIC COMMENT (15 MINUTES)

[00:06:52] There were five speakers: Matt Glenn, 34 Harrison Avenue, voiced concerns regarding requested parking changes on Van Buren Avenue, and also reminded the Committee of the upcoming Mayor's Bike Ride and Bike Rodeo events; Jeff Randall, 80 Diamond Drive, requested updates on his previously proposed adjustments to the City's speed feedback signs, and requested increased street sweeping for bike routes following winter; Tyler Garzo, 62 McKinley

Road, voiced concerns over the proposed width of Van Buren Avenue, as well as concerns related to Van Buren's requested parking changes; Kelly Shaw, 892 Banfield Road, voiced concerns of truck traffic on Banfield Road and requested increased signage to redirect trucks toward Route 1, inquired on signage pertaining to Rail Trail parking, spoke on vehicles parked on the shoulder outside Saint Patrick Academy, as well as Water Country traffic re-direction; Colin Scholler, 30 Chauncey Street, noted needs for traffic calming in the area of State, Chapel, Penhallow, and Cass Streets; and encouraged the Committee to further support efforts of COAST, as City parking needs are evaluated.

V. PRESENTATIONS

[00:24:15] 86 Farm Lane subdivision, proposed construction of Longmeadow Lane, by Altus Engineering. Eric Weinrieb of Altus Engineering presented a three-lot subdivision (one home already existing) on Longmeadow Lane, recognized currently as a "paper street". After presenting the design of the new right-of-way, Mr. Weinrieb was able to answer clarifying questions from the Committee.

VI. NEW BUSINESS

(No public comment during Committee discussion without Committee approval.)

- A. [00:35:16] 86 Farm Lane. Request to prohibit parking along both sides of proposed Longmeadow Lane, by Brett Berger. Bill McQuillen moved to approve No Parking along both sides of the proposed Longmeadow Lane beginning at Farm Lane and running for a distance of 250 feet, seconded by Mary Lou McElwain. Erica Wygonik voiced concerns as to why prohibiting parking was needed, citing that 22-foot road width was enough room to have parking on one side. Bill McQuillen countered that the presented design had already been approved by the Technical Advisory Committee and that he was inclined to move forward with the original motion. Following a vote, the motion carried, with one opposed vote from Erica Wygonik.
- B. [00:37:02] Sheafe Street, request for handicap parking space closest to Penhallow Street, by resident of 9 Sheafe Street. Eric Eby noted the resident originally requesting this item reached out to notify him that the request was no longer needed. Annie Hopkins moved to remove the item, seconded by Peter Rice. Following a vote, the motion carried unanimously.
- C. [00:37:31] Van Buren Avenue, request to prohibit parking on one side of street to narrow street width during upcoming construction project, by residents of Elwyn Park. The Committee discussed the needs of Van Buren Avenue in relation to traffic (specifically to Dondero School), pedestrian safety, and parking volume. Peter Rice moved to conduct community outreach, gathering input from the PTA and residents relative to the proposed design as presented versus a narrower design, and report back to the Committee for decision/recommendation at the next meeting. This motion was seconded by Mary Lou McElwain. Following a vote, the motion carried unanimously.
- D. [01:08:11] Falkland Place and Ranger Way, request for clarification of snow ban parking rules for head-in parking spaces. Erica Wygonik moved to refer to staff to investigate options and report back at a future meeting, seconded by Jane Mitchell-Pate. Following discussion of the unique challenges of this area, the Committee voted in favor unanimously. The motion carried.
- E. [01:13:28] State Street, request for rapid flashing pedestrian beacon at crosswalk at Chapel

Street, by business owner. Erica Wygonik moved to refer to staff for evaluation and report back at a future meeting, seconded by Mark Syracuse. Following a vote, the motion carried unanimously.

VII. OLD BUSINESS

- A. [01:13:55] Sheafe Street, request for additional measures to increase compliance with no parking area near Penhallow Street intersection, by resident. Peter Rice moved to place on file, seconded by Mark Syracuse. Eric Eby was able to report his findings, stating that activity was minimal. Following a vote, the motion carried unanimously.

VIII. INFORMATIONAL

- A. [01:15:43] Police monthly collision report
- B. [01:16:10] Construction projects update
- C. [01:17:33] Cass Street, report back on traffic monitoring in response to request for traffic calming measures.
- D. [01:22:50] Discussion of Committee purpose and mission—this item was requested to be carried over to the next meeting

IX. MISCELLANEOUS

- A. [01:23:04] Question regarding the City's capacity to designate temporary parking spots for handicap use by request.

X. ADJOURNMENT

[01:28:21] Bill McQuillen moved to adjourn, seconded by Mary Lou McElwain. The motion carried unanimously. Chair Annie Hopkins adjourned the meeting at 10:27 AM.

[00:16:03] There were five speakers: Tyler Garzo, 62 McKinley Road, spoke to clarify the difference between the words “accident” and “crash”, as well as feedback on the RAPP proposal; Jeff Randall, 80 Diamond Drive, proposed adjustments to the City’s speed feedback signs, and requested increased street sweeping for bike routes following winter; Bill Lyons, 62 Mendum Avenue, voiced his support and critiques of the RAPP proposal; Rich Desjardins, an Exeter resident and Downtown Portsmouth worker, provided feedback on the RAPP proposal from the position of a non-resident working Downtown; Colin Scholler, 30 Chauncey Street, also voiced comments on the RAPP proposal.

V. PRESENTATIONS

There were no presentations.

VI. NEW BUSINESS

(No public comment during Committee discussion without Committee approval.)

A. [00:28:49] Resident Access Parking Program Pilot, referred to Committee by City Council. Deputy City Manager Carl Weber, along with Parking Director Ben Fletcher and Parking General Foreman Mike Casad, outlined to the Committee a synopsis of the program pilot details that were furnished in the February Meeting Packet. Following Weber’s synopsis, the Committee asked a variety of clarifying questions—many revolving around the registration process, how streets were picked for the pilot, revenues, and further implications. When questions subsided, Fire Chief Bill McQuillen moved to approve the Resident Access Parking Program Pilot. Peter Rice proposed a friendly amendment to the motion, adding in a request for the pilot team to report back on their findings to the Committee at a later date. McQuillen agreed to the amendment, and Rice seconded the amended motion. Following a vote, the motion carried unanimously.

VII. OLD BUSINESS

A. [01:02:00] Sheafe Street, request for additional measures to increase compliance with no parking area near Penhallow Street intersection, by resident. Eric Eby reported back on his findings since the initial request was submitted, and suggested he’ll report more on the findings when snow has dissipated. Mark Syracuse moved to continue monitoring street and report back at a future meeting, seconded by Erica Wygonik. The motion carried unanimously.

B. [01:04:05] Sagamore Avenue, request for traffic calming measures, by resident. Eric Eby spoke to the request and mentioned that monitoring is ongoing and has been throughout the years. Peter Rice moved to continue monitoring speeds, seconded by Mark Syracuse. The motion carried unanimously.
